## Description ([revised](#))

I am a college student looking to pay off some expensive college tuition. I need your help! Please bid and become my second sponsor.

In this auction I am selling a

### **700-1,050-word marketing paper on YOUR organization**

**What if your organization can buy a paper written from a MBA student?**

**What if the winner of the auction got advertising space on the student's website?**

As you can see in the auction pictures, I am telling the truth. I am a MBA student with a letter informing me of the tuition increase. In addition, the picture of the paper posted is real. Furthermore, I have long-term plans for my website; I am a business major after all and want your business to maximize its ROI (i.e. Return On Investment) I will not post my specific plans for my website in the auction because I don't want copy-cats to steal my idea.

## FAQ

**What do you plan on doing with the money you gain from this auction?**

- A. I plan on paying my tuition for the next class. Any extra money earned will go to developing my website (I am a poor web-designer) and future tuition payments.

**[Click Here to WATCH this unique auction!](#)**

Why Should I buy advertising space and a marketing paper form you?

- A. Because this is a unique idea and the second time a paper has been sold (to my knowledge) on ebay before being written. I sold the first one to a sponsor that was happy with my work. In fact do a search for MBA paper and you will see mine is the only listing (at this time). In addition, this can be

a good way to get your company's name into the media. Media recognition cannot and will not be guaranteed with this auction, but what I can guarantee you will get a marketing paper that may provide your company a ROI by giving you a fresh perspective on marketing and your organization from an unbiased graduate student outside your organization.

Why is Buy it Now \$20,000 when your college bill is \$1586?

- A. Because I pay \$1586 for each class; I still have 10 classes to go! I figured after paying ebay fees and taxes, I can pay for most of my tuition and hire a web guy to design my website; the website you will win advertising space on. In addition, if the idea receives media attention, \$20,000 will be a bargain price and will help me pay for college!

The winner of this auction will receive one (1) A marketing paper on their company. In addition, the advertising space will be for a period of 90 days. If 90 days isn't enough, the lease can be extended; if you wish to extend your lease, this can be negotiated, but is not guaranteed. Should this idea get any media recognition, your domain logo will be displayed on my website for all to see for 90 days.

This domain can not promote or contain or link to material with offensive material, i.e.: words, slogans, phrases, images, or symbols (if you are not sure, feel free to ask prior to bidding).

What you get as the winning bidder is as follows:

- 1) In this auction, you are buying just that, a 700-1,050-word marketing paper on your organization.**

**In addition, I will give you:**

- 2) 3 month advertising space on my new home page at a reasonable and adequate size for your logo to be seen (e.g. The logo that is commonly used on your website) not to exceed a size of 100W x 90H in pixels.**

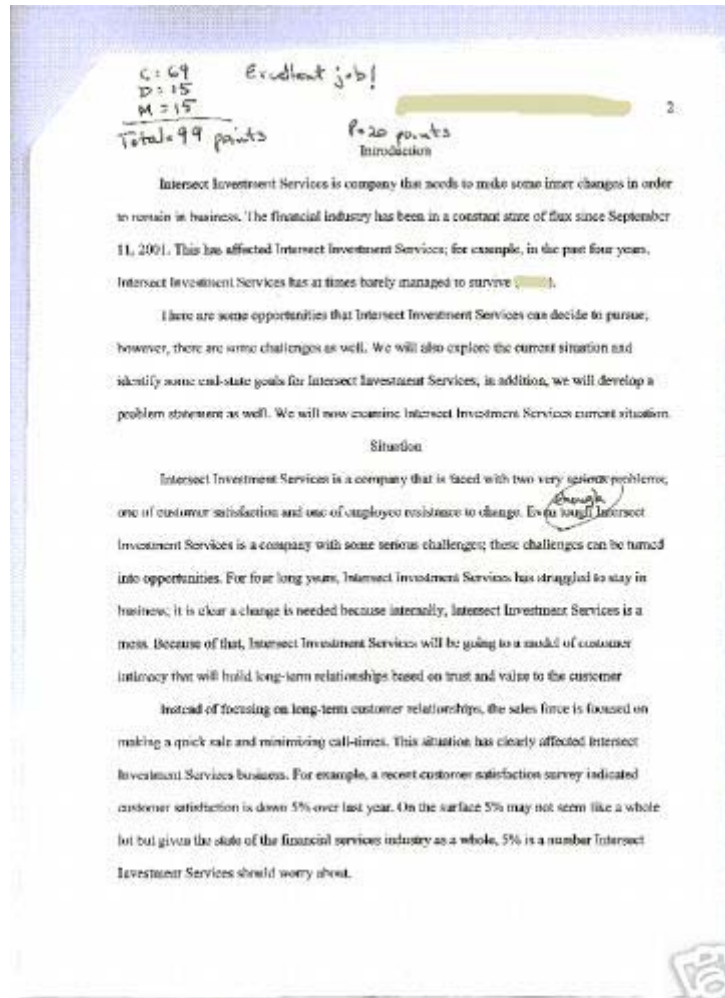

**AND**

- 3) A Permanent place on my website's sponsor page (you helped sponsor it right?)**

**THIS IS NOT A JOKE! ALL BIDS ARE LEGALLY BINDING!**

shipping of the graded marketing paper will be 35.00 for overnight shipping in the US, for other countries, overnight shipping is more expensive and can be calculated at the time of payment based on your location  
I accept paypal only
